NON - DISCLOSURE CLAUSE

You must ensure that you are complying with your duty of disclosure of all material matters and particularly that you satisfy yourself as to the accuracy and completeness of the information you provide to Insurers. In this respect you must provide all information, whether favourable or not, which might influence the judgement of a prudent Insurer in determining whether he will take the risk and if so, for what premium and on what terms. Failure to observe this obligation could void any contract entered into from inception and could lead to claims not being met.
